# INVITATION

**FY2025 FNCA Hybrid Workshop on  
Climate Change (Evaluating the Carbon Emission from Forest Soils (ECEFS)) Project  
November 18-20, 2025, Japan**

Dear Ms. Lili XIAO,

I am pleased to extend an invitation to FY2025 FNCA Workshop on Climate Change (Evaluating the Carbon Emission from Forest Soils (ECEFS)) Project which will take place in Japan on November 18-20, 2025, hosted by Ministry of Education, Culture, Sports, Science and Technology (MEXT) of Japan, in cooperation with Nuclear Safety Research Association (NSRA).

Please nominate an involved expert from China for the workshop, attaching completed registration form by August 29, 2025. Detailed information will be sent to the participants in due course. All the participants are requested to actively contribute to discussion of the workshop. Please kindly understand that we may ask the nominee to join online depending on the situation.

For the in-person invitee: Travel expenses including a round-trip air ticket between your country (a major hub airport) and Fukushima, accommodation cost during the workshop in Japan and overseas travel insurance will be borne by Japanese government. We would appreciate each country to support other travel related expenses such as entry visa to Japan, airport tax, departure tax, and so on. All the participants are required to follow the official schedule for the meeting from arrival to departure. Participants who require entry visa to Japan should make necessary preparation duly in advance.

Regarding the arrangement for the workshop, please contact with following people;
